

Sico Insta-Wall®

Mobile Folding Partition

Convert big rooms into smaller rooms quickly and easily!

CHOICES

www.sicoinc.com

30% less panels plus 30% more length than Convert any space quickly & easily

Subdivides a meeting room.

Create separate study areas.

Subdivides a media center.

Sico Insta-Wall® Features:

- Remains in the position a user desires without the use of troublesome outside locks, clips or tools.
- Panels absorb sound, create privacy, and reduce background noise.
- Flame retardant fabric is bonded to the panel by means of a non-flammable, non-odor adhesive with no visible seams.
- New 32" (81cm) wide panels provide a smooth and stable operation.
- Quicker and easier to set-up than competitive units.

- 360 degree hinges allow the Insta-Wall® to be rotated into any position. Hinges are also fitted with patented "no pinch" plates.

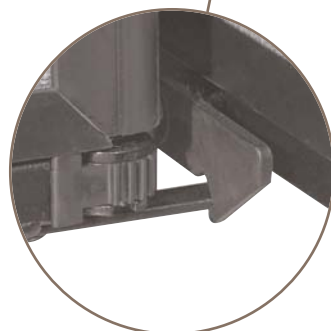

- A fully tackable surface

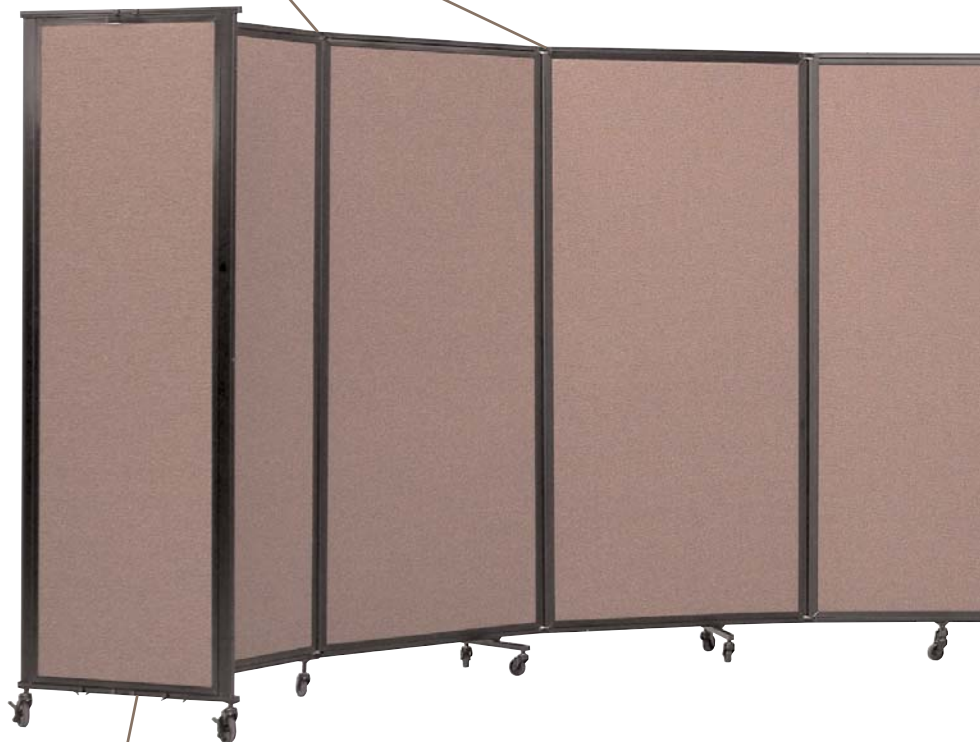

Optional:

- Unit-to-unit connectors enable multiple units to lock together.

- Transportation locks keep units together while being moved to a different location and are released by a simple touch of the toe. No need to bend over to release the latch.

Human comparable and competitive systems. Easily with the Sico Insta-Wall®.

Sico Insta-Wall® Features:

- Steel frame is strong 16-gauge with an industrial strength powder coat finish for strength and durability.
- Largest units store in less than 4 square feet (.37 square meters) of floor space, saving valuable room.
- 12 standard fabrics with many special options, including vinyls, designer fabrics, whiteboard, wood, or your own material (COM).
- All Insta-Walls® ship fully assembled.
- 3-year warranty

Easy for posting signage.

- No-pinch seams eliminate pinched fingers.

- Patented full panel end members trap sound, eliminate tripping hazards, and reduce the possibility of anyone stepping or riding on the unit.

- Casters have black ball bearing, non-marking hard rubber wheels for added stability. Low profile casters provide low clearance, meaning additional noise reduction and a lower center of gravity.

Minimize distractions by separating spaces.

Hide serving areas from guests.

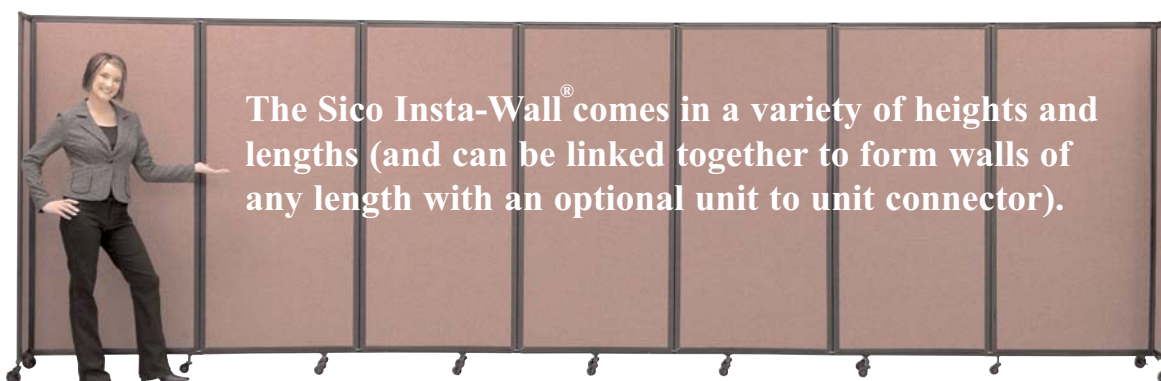

Create temporary storage areas.

The Sico Insta-Wall® is designed to maximize the use of your valuable space.
It offers you flexibility, versatility, security, privacy and peace of mind.

1 panel = 32" (81cm) wide

7 panels = 19'5" (592cm) wide

Choose from several sizes:

Height:
